This is how I detangle
my curly hair.

FUN! We shampoo and condition my hair. It smells YUMMY!

2

I love my curls, I love my hair, but detangling my hair is just not fair!

I need my Detangling Spray, so I can
comb my hair TEAR FREE!

4

We part my hair into sections and secure with clips, to make sure each strand is tangle free!

5

We brush my hair into
a ponytail.

Finished in no time and ready
to play!
